Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland's king. But the King doesn't take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland's army, and the AWOL Guts may be the only answer to the Hawks' — and Griffith's — lethal problems.

The acclaimed adult horror manga is now in presented in deluxe hardcover editions in the original oversized serialization format. Though Guts the Black Swordsman lies near death from battling the dragon knight Grunbeld and his demonic legion, the witch Schierke has a dangerous tool to put Guts back in the fight: the unholy Berserker Armor. But the accursed shell unleashes its host's inner demons, which might send the tormented Guts into eternal darkness! Collects Berserk volumes 25–27, including three fold-out color posters.

The century-spanning war between Midland and Chuder continues unabated. The two warring kingdoms, vying for supremacy, launch headfirst into what will become the final battle. Leading the Midland forces are the Band of the Hawk, lead by the charismatic Griffith, with the fearless Guts as his trusted champion. But should the Hawks triumph again on the battlefield, the war with Chuder may end, but the secret war within Midland may begin as those who seek to rise within the court see the ambitious Griffith as an obstacle to obtaining power. And nothing is more formidable than an enemy unseen!

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.

Warrior supreme Guts has returned, and just in time to save the weakened Band of the Hawk from certain destruction... and to form an intimate bond with the beautiful warrior Casca. But job one is to find a way to free Griffith, the Hawks' leader, from the dank dungeons and round-the-clock tortures of the Hawks' former benefactor, the King of Midland. But while the flayed and starved Griffith may be in isolation, he is not alone. Horrors beyond imagination await Guts and the Hawks in the catacombs, and those who die may just be the lucky ones!

The Black Swordsman Guts' former captain and lover, Casca, has been taken by the Holy Iron Chain Knights to the "Tower of Conviction" of the fanatic torturer of the Holy See, Mozgus, who plans to treat the rumored witch to the proper agonies of the damned, but Guts is on his way to rescue Casca and dish out some chastisement of his own on any who get in his way. But forces in the demonic realms are in motion and are being drawn to the torture tower in what may be a prelude to a second Eclipse and an unprecedented release of malign spirits into the world!

Guts, the feared Black Swordsman, is on the rampage — and it's personal. Mozgus, the malefic master Inquisitor of the Holy See, in his murderous campaign against heretics, has captured Guts' former lover Casca and has her at the ready to be burned at the stake in the Tower of Conviction, little knowing that Casca's demonic Mark of Sacrifice is drawing hideous dark powers to the Tower. It'll take everything Guts has and more to defeat Mozgus — who is much, much more than a man — and even if he can, will he be able to save Casca from the hordes of Hell amidst the inquisitor's disintegrating citadel?

"Iba, a bright-spirited young historical scholar, disappears while on a lone expedition to study the ancient Silk Road ... A year later, his girlfriend Kyoko discovers that Iba is not only alive but is a warrior-slave under the reign of Genghis Khan in 13th century Mongokia"--P. [4] of cover.

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks' tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

The Band of the Hawk — what's left of them — are on the run, Guts and Casca having rescued the Hawks' leader, Griffith, from the horrors of the King of Midland's dungeons. Starved, tortured mercilessly and imprisoned in an iron mask, Griffith hangs to life and sanity by a thread... and he'll be no help against the King's latest charges sent to bring him back to pay for his dalliance with the King's daughter. Now the depleted Hawks will have to face the Knights of the Black Dog, led by the merciless, bestial Wyald... one bad dog who's even worse when he unleashes the beast within!

The Band of the Hawks' rescue of their leader, Griffith, has brought them no ease. Broken beyond healing, a frail ghost of his former glory, Griffith is now more an object of pity than a man, and the Hawks, who've grimly hung together under duress and death during his absence, are now on the verge of splintering to the winds. But Griffith's dreams and ambitions, built on the bodies of his troops and the countless enemies they have slain, have not gone unnoticed in the spirit realm, and though Griffith has nowhere to go as a man, he may yet have a future . . . a future borne on jet-black wings in the company of the demon lords of the Godhand!

The bewildered and near-mad Casca, former captain of the Band of the Hawk — and former lover of Guts, the Black Swordsman — has been adopted by Midland's pagan cults as a witch, due to her demonic Mark of Sacrifice. But the Holy Iron Chain Knights campaign to rid the kingdom of heretics by any means necessary puts Casca in mortal danger, and Guts is having none of it. But all parties involved may end up with more than they bargained for as demonic spirits, drawn to Casca's brand, begin to possess the heretics and unleash the forces of hell.
