At Caesar's most successful he was above all a Roman general and spent most of the last 15 years of his life fighting wars first against Rome's enemies and later against other Romans. True, Caesar was nearly 40 before he embarked on the victories that made his place in history, but we remember him for those years as a military leader not for his role as praetor or pontifex maximus.

CAESAR (Life of a Colossus) by Adrian Goldsworthy This life of Julius Caesar was originally published (minus subtitle on jacket) as one of Weidenfeld's military history tomes back in 2006.

Part of the fascination with Caesar is because he is so difficult to pin down and because mysteries remain, for instance, as to what he really intended in the last months of his life. In his fifty-six years he was at times many things, including a fugitive, prisoner, rising politician, army leader,...

From the very beginning, Caesar's story makes dazzling reading. In his late teens he narrowly avoided execution for opposing the military dictator Sulla. He was decorated for valour in battle, captured and held to ransom by pirates, and almost bankrupted himself by staging games for the masses. As a politician, he quickly gained a reputation as a dangerously ambitious maverick.
