Getting the Girl Markus Zusak 2013-05-28 In this sequel to the award-winning FIGHTING RUBEN WOLFE, Cameron explores the ecstasy, the danger, and the cost of love. Cameron Wolfe is a loser. He knows it. He's the quiet one, not a soccer star like his brother Steve or a charming fighter with a new girl every week like his brother Rube. Cam would give anything to be near one of those girls, to love her and treat her right. He especially likes Rube's latest, Octavia, with her brilliant ideas and bright green eyes. But what woman like that would want a loser like him? Maybe Octavia would, Cam discovers. Maybe he'd even have something to say. And those maybes change everything: winning, loving, losing, the Wolfe brothers, and Cameron himself.

Top the Toefl Kaiwen E. T. AI LEONG 2015-10-09 Top the TOEFL is a TOEFL book like no other. It recognizes an essential key to the problem: students who struggle with the TOEFL have problems mastering English. Hence, while other TOEFL books teach strategies with long wordy explanations that hardly make sense to the average student, Top the TOEFL focuses on teaching students in the most intuitive way possible: examples. Each unit is systematically broken down to make it simple for any student to Top the TOEFL. First, 'Simple Steps' are condensed at the outset for easy reference. Next begins 'Elaboration with Examples' -- a section where the 'Simple Steps' are put into practice. The unit concludes with the 'TOEFL Trainer' which divides exercises according to the 'Simple Steps', allowing students a chance to directly put the strategies to practice rather than just throwing students into the deep end by providing a full set of TOEFL practice tests.

The Interior Circuit Francisco Goldman 2014-07-02 The author of *Say Her Name* shares a deeply personal memoir of grieving the loss of his wife—and confronting the troubled city where she grew up. Five years after his wife's untimely death, Francisco Goldman decided to overcome his fear of driving in Mexico City. The widower and award-winning writer wanted to symbolize his love and enduring grief by fully embracing his late wife's childhood home and the city that came to mean so much to them. The Interior Circuit is Goldman's chronicle of his personal and political awakening to the nuances of this unique city as he learns to navigate the "circuito interior," a network of highway-like roads that crisscross the traffic-plagued city. Many regard Mexico's capital—then known as the "DF" or Distrito Federal—as a haven from the many social ills and violence that wracks the rest of the country. Goldman's account reveals the more complicated truth. As Mexico's narco war raged on and the Institutional Revolutionary Party (the PRI) returned to power in the summer 2012 elections, the DF's special apartness came under threat. When organized crime-related violence and death erupt in the summer of 2013, Goldman sets out to try to understand the new challenges facing the city. Part travelogue, part memoir, and part political reportage, *The Interior Circuit* "is so sneakily brilliant it's hard to put into words. . . . It is also, in the finest sense, a book that creates its own form" (Los Angeles Times).

The Legal Protection of Databases Mark J. Davison 2003-06-26 Mark Davison examines several legal models designed to protect databases, considering in particular the EU Directive, the history of its adoption and its transposition into national laws. He compares the Directive with a range of American legislative proposals, as well as the principles of misappropriation that underpin them. In addition, the book also contains a commentary on the appropriateness of the various models in the context of moves for an international agreement on the topic. This book will be of interest to academics and practitioners, including those involved with databases and other forms of new media.

Say Her Name Francisco Goldman 2011-04-05 Inspired by the author's own experience, this is "a beautiful love story, and an extraordinary story of loss" (Colm Tóibín). In 2005, celebrated novelist Francisco Goldman married Aura Estrada at a Mexican hacienda. More than twenty years his junior, Aura was a gifted young writer on the cusp of her own brilliant career, and the two were deeply in love. Then, a month before their second anniversary, Aura broke her neck bodysurfing while they were on vacation. Goldman was blamed by Aura's family—and crippled by his own grief and self-recrimination. In the aftermath of the accident, he wrote *Say Her Name*, pouring his feelings of love and unspeakable loss into a fictionalized account of their brief time together. Hungry to keep Aura alive in his memory, Goldman collects everything he can about his dead wife. From her childhood and university days in Mexico City with her fiercely devoted mother to her studies at Columbia University, through the couple's time in New York City and travels to Mexico and Europe, Goldman seeks her essence and grieves her loss, using the writings she left behind as his prism. Filled with "propulsive drama" (The Boston Globe), *Say Her Name* is a tribute to Aura, who she was and who she would've been, that "will transport you into the most primal joy in the human repertoire—the joy of loving" (San Francisco Chronicle).

Angels and Demons in Art Rosa Giorgi 2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the *Guide to Imagery* series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

The Ordinary Seaman Francisco Goldman 2007-12-01 By the author of *The Long Night of the White Chickens*: A novel of the perils, passions, and misadventures of a young Nicaraguan sailor trapped in Brooklyn. Named a Best Book of the Year by *Newsday*, the *Los Angeles Times Book Review*, the *Chicago Tribune*, the *St. Louis Post-Dispatch*, and *Publishers Weekly* At nineteen, Esteban Gaitan is already a veteran of war. A Sandinista soldier and an avowed communist, Esteban leaves Nicaragua to begin a new life in America. It's the late 1980s when he, along with fourteen other men, arrive to form the crew of the *Urus*, a ship docked on a desolate Brooklyn pier. Elias and Mark, the owners of the *Urus*, hold the men captive, forcing them to work in a vain attempt to make the rotting vessel seaworthy. Without the means to return home, Esteban remains a virtual prisoner, haunted by the loss of the woman he loved during the war. Eventually, he sneaks off the ship, making nocturnal forays into Brooklyn, where he meets Joaquina, a Mexican immigrant who works as a manicurist, and begins to plot his permanent escape. Centering his novel around Esteban, but also telling the stories of his fellow landlocked sailors, Francisco Goldman proves once again that he is "a major talent of great style and soul" (The Miami Herald). "Often very funny . . . Here, a corner of Brooklyn becomes the exotic and foreign experience, and through Esteban's eyes it is as mysterious and alluring as Tangiers." —The Dallas Morning News

The Divine Husband Francisco Goldman 2007-12-01 A devout woman finds herself adrift in late 19th century Central America in this novel of "deep imagination, stylistic verve, and psychological acuity" (The Washington Post). Set in late nineteenth century Central America and New York City, *The Divine Husband* tells the story of María de las Nieves Moran, whose brief career as a nun is ended in the wake of revolution. Forced to make her way in the secular world, María is surrounded by an unforgettable cast of characters: José Martí, the poet and hero of Cuban independence and the first man María loves; Mack Chinchilla, the Yankee-Indio entrepreneur intent on winning her hand; a British diplomat setting up a political impostor plot; and Mathilde, the daughter whose birth—perhaps fathered by one of these men—ruins María's reputation and launches her on a journey toward a new future. This joyfully imagined novel of ideas is populated by Indian girls, wandering Jewish coffee farmers, the founder of the rubber-balloon industry, and one of Latin America's greatest and most complex men. *The Divine Husband* is a sweeping, poetic novel rich in historical detail and vivid characterization. "Goldman echoes Flaubert, García Marquez, and even DeLillo."—Bookforum
