Classic Hollywood Films Carlton Books 2013-04-02 Love classic Hollywood movies and the glorious stars—like Audrey Hepburn, Gene Kelly, Humphrey Bogart, and Marilyn Monroe—who glittered on the silver screen? Then you'll love these eight posters, which showcase the best of the best from Tinseltown, including The Birds, Breakfast at Tiffany's, Casablanca, Goldfinger, Gone with the Wind, Singin' in the Rain, Some Like It Hot, and that perennial favorite, The Wizard of Oz. They're all full-color reproductions and ready for hanging.

Nudes Elle Nash 2021-04 Fiction. Women's Studies. Short Stories. Beginning with a story of an ex sex-worker drifting through a small rural town in the south, and ending with a young woman's wedding night, who learns from her new husband what it takes to kill a man, Nash writes across the complications of working class women, rendering their desires with visceral

prose and psychologically dissecting the fundamental root that threads her work: craving and the conflicts within.

Management of Adult Glioma in Nursing Practice Ingela Oberg 2019-01-04 This contributed book focuses on the nursing care and considerations for the most common type of malignant brain tumours – gliomas, out of the 150 different types of brain tumours . The reader will gain specialist knowledge in understanding the disease trajectory of malignant gliomas and gain a deeper understanding of the presenting symptoms and varying treatment options of this highly malignant tumour. High grade malignant gliomas impact significantly on prognosis, with an average life expectancy of 18-24 months from diagnosis, given maximum treatment options including surgery, chemotherapy and radiotherapy. This book takes you through all current treatment options with their associated risks and intended benefits. Brain tumours affect not just the patient, but their family and carers too and this important aspect of holistic nursing care is not to be overlooked. This book encompasses first hand experiences of both a brain tumour patient living with a glioma and aspects from a carer. The structure of this book follows a typical patient pathway from presenting signs / symptoms through to MDT (multidisciplinary team) discussions to surgical techniques and radiological investigations, right through to chemotherapy, radiotherapy and palliative care including end of life care. It provides a distinct overview of the holistic needs spectrum encompassing the entire patient journey and equips the reader with learning objectives set at every chapter. Although this book is primarily aimed at Nurses working at ward level within neuro-oncology, this book is also intended to benefit professionals new to the field of specialist nursing – in particular those working with adult brain tumours and neuro-oncology.

Poems We Love 1907

Next Extinct Mammal Rubén Quesada 2011 Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Estimating Market Value and Establishing Market Rent at Small Airports Aviation Management Consulting Group, Inc 2020 "Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources

to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Women Chloe Caldwell 2019-03 'A beautiful read / a perfect primer for an explosive lesbian affair / an essential truth' Lena Dunham 'I have meditated repeatedly on what it was about Finn that had me so dismantled.' A young woman moves from the countryside to the city. Inexplicably, inexorably and immediately, she falls in love with another woman for the first time in her life. Finn is nineteen years older than her, wears men's clothes, has a cocky smirk of a smile - and a long-term girlfriend. With precision, wit and tenderness, Women charts the frenzy and the fall out of love.

Maggie for Hire Kate Danley 2011-09-01 When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

Elmer Again David McKee 2011-03 This classic Elmer story is now available as a colourful book and CD pack!

The Rescue Artist Edward Dolnick 2010-11-16 In the predawn hours of a gloomy February day in 1994, two thieves entered the National Gallery in Oslo and made off with one of the world's most famous paintings, Edvard Munch's *Scream*. It was a brazen crime committed while the whole world was watching the opening ceremonies of the Winter Olympics in Lillehammer. Baffled and humiliated, the Norwegian police turned to the one man they believed could help: a half English, half American undercover cop named Charley Hill, the world's greatest art detective. *The Rescue Artist* is a rollicking narrative that carries readers deep inside the art underworld -- and introduces them to a large and colorful cast of titled aristocrats, intrepid investigators, and thick-necked thugs. But most compelling of all is Charley Hill himself, a complicated mix of brilliance, foolhardiness, and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever.

On Learning Golf Percy Boomer 2012-04-25 *The War & Peace of Golf*. A quaint old classic from 1946, with an intro by the Duke of Windsor. It's good advice, and seriously, this game has hardly changed a whit in 50 years!

Angels and Demons in Art Rosa Giorgi 2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the *Guide to Imagery* series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or

rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

*Kumba Africa* Sampson Ejike Odum 2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

*Confessions of a Male Gynecologist* Andre Bellanger 2016-04-26 Curious about the world of obstetrics and gynecology? Want to know why a future doctor would want to specialize in gynecology? Or perhaps you'd just like a peek behind the curtain, so to speak -- and to hear some OBGYN secrets. If you're intrigued by any of these topics, or just want to know about women's health from an OBGYN who tells it like it is, this book is for you. "Confessions of a Male Gynecologist" reveals not only what your gynecologist is thinking when your feet are in the stirrups, but provides women with some frank advice. Dr. Bellanger provides readers with an education, gets on his high horse, and shares some unbelievable (and in many cases), "laugh-out-loud" stories. Here's what readers have to say ... "... full of insights you had no idea you wanted to know." "... informational, educational, and at times downright hysterical" "... answers all the questions you've ever had about your gynecologist" "... an entertaining experience." "... an insightful look into the complexity and realities of not only women's health, but the state of our health care system today."

*Dentists* Mary Meinking 2020-08 Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

*Blueprint for Black Power* Amos N. Wilson 1998 Afrikan life into the coming millennia is

imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biological destiny. 'Blueprint for Black Power' details a master plan for the power revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century ... Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality.
