Published for the first time under his own name, a dark and haunting story from #1 New York Times bestselling author Michael Connelly Like his father before him, Brian Holloway is a safe man. That is, his specialty is opening safes. Every job is a little mystery, and he has yet to encounter a lock he can't break or a box he can't crack. But the day Holloway gets called in to open a rare, antique safe in a famous author's library, his skills open a door that should have remained closed. In this haunting and singular story, previously published anonymously, Michael Connelly proves once again that he is "superb at

building suspense.... the reader can never be sure what sudden turns the plot may take" (Wall Street Journal). [Word count: 11,662]

Harry Bosch teams up with LAPD Detective Renée Ballard to face the unsolved murder of a runaway, and the fight to bring a killer to justice. Detective Renée Ballard is working the night beat -- known in LAPD slang as "the late show" -- and returns to Hollywood Station in the early hours to find a stranger rifling through old file cabinets. The intruder is retired detective Harry Bosch, working a cold case that has gotten under his skin. Ballard can't let him go through department records, but when he leaves, she looks into the case herself and

feels a deep tug of empathy and anger. She has never been the kind of cop who leaves the job behind at the end of her shift -- and she wants in. The murder, unsolved, was of fifteen-year-old Daisy Clayton, a runaway on the streets of Hollywood who was brutally killed, her body left in a dumpster like so much trash. Now Ballard joins forces with Bosch to find out what happened to Daisy, and to finally bring her killer to justice. Along the way, the two detectives forge a fragile trust, but this new partnership is put to the test when the case takes an unexpected and dangerous turn. Dark Sacred Night for the first time brings together these two powerhouse detectives in a riveting story

that unfolds with furious momentum. And it shows once more why "there's no doubt Connelly is a master of crime fiction" (Associated Press).

Mickey Haller and Harry Bosch together take on a seemingly unwinnable case.

An instant New York Times bestseller! In this all-new collection of beloved quotes, *This Just Speaks to Me*, #1 New York Times bestselling author Hoda Kotb offers inspiration, wisdom, and hope 365 days a year. When her first collection of quotes, *I Really Needed This Today*, was published in 2019, Hoda never imagined how deeply her favorite words, stories, and memories would resonate with readers. People across the country were connected not only by the book's positive message, but through their generosity in sharing it with friends and family who needed a daily burst of inspiration. Hoda was truly touched by fans who shared "their quote" with her, the one that most moved them or someone they love. Now, to follow that remarkable experience, Hoda is back, with 365 new quotes and stories to share with her beloved readers. In *This Just Speaks to Me*, she

writes about the people and moments that have enriched her life, discussing everything from motherhood and friendship to love and loss. The book also celebrates the countless acts of kindness that unfolded during these uniquely challenging times. Told with the same warmth, humor, and generosity that infused *I Really Needed This Today*, *This Just Speaks to Me* promises to be the next great companion book, each day elevated by Hoda's sparkle at a time when we may need it the most.

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial ca-

reer at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

Sent to live with her strict Lebanese father in Texas upon the outbreak of the Gulf War, Arab-American teen Jasira endures racial taunts from her new classmates and enters into a dangerously exploitative relationship with a bigoted Army reservist. *Reissue*. 75,000 first printing. (A Warner Independent film, directed by Alan Ball, releasing August 2008, starring Aaron Eckhart, Toni Collette, & Maria Bello) (General Fiction)

AN INSTANT #1 NEW YORK TIMES BESTSELLER From New York Times bestselling author and beloved *Today* show co-host Hoda Kotb comes an inspiring collection of quotes that offer wisdom, courage, and hope—the perfect gift for Mother's Day! Several years ago, *Today* show co-host Hoda Kotb began posting a variety of quotes on her Instagram page. Some were penned by a favorite writer; others offered a dose

of love or laughter. She thought the quotes were meaningful only to her, but soon a funny thing started happening—reactions poured in from thousands of people who were just as moved. The quotes weren't only providing inspiration to Hoda, they were comforting and connecting people. So many of their comments read, "I really needed this today," a phrase that inspired the book's title. In *I Really Needed This Today*, Hoda not only shares 365 sayings and quotes, she writes about the people and experiences that have pushed her to challenge boundaries, embrace change, and explore relationships to their fullest. Written with her signature wit and warmth, this book is the ideal companion to tuck beside your bed or to bring with you on-the-go to keep you motivated, recharged, and inspired each day.

An FBI agent fights to stop a conspiracy to unleash a deadly virus on the world in this propulsive, exhilarating new thriller. The discovery of a deadly virus being smuggled across the border pits FBI Special Agent James Mason and his strike force against an unknown adversary hell-bent on humanity's destruction. In a des-

perate effort to contain the pathogen, they launch a predawn raid, only to find that their enemy knows they're coming...and it's not about to be taken alive. An explosion rips through the building, killing the majority of Mason's team, including his partner and mentor. Tormented by guilt, Mason returns to his home division, but he can't seem to let go of the tragedy. He remembers seeing something inside the building before it went up in flames, something that convinces him that not only is the virus still out there, it's merely the first stage of an even more nefarious plan. Obsessed with unraveling the plot, he launches his own investigation and uncovers a shadow organization on the brink of enacting its genocidal agenda, one carried out by a sinister mass murderer who's been photographed at the epicenter of seemingly every historical pandemic...without appearing to age. An evil man who attempts to derail Mason's investigation by murdering his wife. With the help of his longtime friends—Gunnar Backstrom, a corporate espionage gun-for-hire, and Ramses Donovan, a sin merchant of questionable morality—Mason's hunt

for his wife's killer leads him from a dark union at the dawn of the twentieth century to a network of Nazi collaborators and a conspiracy against mankind more than a hundred years in the making. Fueled by anger and driven by the promise of vengeance, he must overcome a monster preparing to unleash his virulent wrath upon an unsuspecting world if he's to have any hope of exposing a deep-state entity that's rooted in every facet of our society, an entity known only as...The Thirteen.

This addictive thriller from New York Times best-selling author Alafair Burke draws its details from the author's own experiences as a criminal law professor and deputy district attorney, creating an exhilarating, true-to-life tale of crime and its consequences. Sixteen-year-old Julia Whitmire appeared to have everything: a famous father, a luxurious Manhattan townhouse, a coveted spot at the elite Casden prep school. When she is found dead in her bathtub, a handwritten suicide note left on her bed, her parents insist that their daughter would never take her own life. Detec-

tive Ellie Hatcher is ready to write it off as a suicide, but one piece of evidence nags at her. When Ellie's search of Julia's bedroom and belongings for a matching notebook turns up empty, she's sure there's more to the case than meets the eye. The ensuing investigation brings the partners inside Julia's inner circle—an eclectic mix of precocious teenagers at Mahattan's most elite prep schools and street kids Julia met at Washington Square Park; and Ellie is forced to uncover the truth behind this apparent suicide, navigating Julia's intriguing connections to both New York's wealthiest—and its most dispossessed.

In a city of a million tales, Detective Bosch reads those written in blood. Fourteen crime novels from bestseller Michael Connelly. 'Connelly is a crime writing genius' Independent on Sunday Contains: THE BLACK ECHO, THE BLACK ICE, THE CONCRETE BLONDE, THE LAST COYOTE, TRUNK MUSIC, ANGELS FLIGHT, A DARKNESS MORE THAN NIGHT, CITY OF BONES, LOST LIGHT, THE NARROWS, THE CLOSERS, ECHO PARK, THE OVERLOOK, NINE DRAGONS

For the first time in one volume, the three novels

that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that

rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or re-discover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

From the acclaimed author of the Pierce Hunt series comes a thrilling novel featuring a Secret Service agent who takes on a ruthless foe to protect the country he serves and the woman he loves. Former air force combat rescue officer Special Agent Clayton White now works for the Secret Service performing routine escort missions for politicians. These missions may not be quite as exciting as his time in the military, but Clayton's okay with that. It gives him more time to see his girlfriend, Veronica Hammond--an archaeologist who also happens to be the vice president elect's daughter. But Clayton's seemingly manageable new routine takes a startling turn when South African mercenaries target Veronica at an awards gala celebrating her work.

After this attempt on Veronica's life, Clayton enters a complicated web of lies, betrayal, and dangerous government secrets. As Clayton gets closer to the truth, he encounters unexpected foes pitted against questionable allies. With enemies at every turn, the only constant Clayton can rely on is Veronica. But when the threat against her turns on him, too, he faces an impossible choice: love or country.

"A masterpiece of thriller and mystery. Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds, follow their fears and cheer for their success. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re *Once Gone*)

A Wall Street Journal and South Florida Sun-Sentinel Best Book of the Year "A masterpiece"—LAPD detective Renée Ballard must join forces with Harry Bosch to find justice in a city scarred by fear and social unrest after a methodical killer strikes on New Year's Eve (Publishers Weekly). There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatal-

ly hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that "relentless on their own, Ballard's and Bosch's combined skills... could be combustible" (Los Angeles Times).

"A wide and deep view of

a dynamic, multiethnic Southern California . . . Susan Straight is an essential voice in American writing and in writing of the West." —The New York Times Book Review A New York Times Book Review Editors' Choice and an NPR Staff Pick. One of The Washington Post's 21 Books to Read this Summer. Named a Most Anticipated Book of March 2022 by the Los Angeles Times, USA Today, and Alta. From the National Book Award finalist Susan Straight, *Mecca* is a stunning epic tracing the intertwined lives of native Californians fighting for life and land Johnny Frías has California in his blood. A descendant of the state's Indigenous people and Mexican settlers, he has Southern California's forgotten towns and canyons in his soul. He spends his days as a highway patrolman pulling over speeders, ignoring their racist insults, and pushing past the trauma of his rookie year, when he killed a man assaulting a young woman named Bunny, who ran from the scene, leaving Johnny without a witness. But like the Santa Ana winds that every year bring the risk of fire, Johnny's moment of action twenty years ago sparked a slow-burning chain of

connections that unites a vibrant, complex cast of characters in ways they never see coming. In *Mecca*, the celebrated novelist Susan Straight crafts an unforgettable American epic, examining race, history, family, and destiny through the interlocking stories of a group of native Californians all gasping for air. With sensitivity, furor, and a cinematic scope that captures California in all its injustice, history, and glory, she tells a story of the American West through the eyes of the people who built it—and continue to sustain it. As the stakes get higher and the intertwined characters in *Mecca* slam against barrier after barrier, they find that when push comes to shove, it's always better to push back.

In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production

assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

**#1 NEW YORK TIMES BESTSELLER** • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN** "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F\*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and

things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin

instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

New York Times best-selling author Michael Connelly writes novels of brilliantly original suspense. In this electrifying tour de force, he takes us into a world of extremes: too much criminality, too much money, and too many ways to die. In L.A. Cassie Black is another beautiful woman in a Porsche: except Cassie just did six years in prison and still has "outlaw juice" flowing in her veins. Now Cassie is returning to her old profession, taking down a money man in Vegas. But the perfect heist goes very wrong, and suddenly Cassie is on the run—with a near-psychotic Vegas "fixer" killing everyone who knew about the job. Between Cassie and the man hunting her are a few last secrets: like who really set up the job, why Cassie had to take the change, and how, in the end, it might all be a matter of the moon...

The last member of a murdered House tries to protect his ward from forced marriage to a monster while uncovering clues to his own tortured past. The Tarot Sequence imagines a modern-day Atlantis off the coast of Massachusetts, governed by powerful Courts based on the traditional Tarot deck. Rune Saint John, last child of the fallen Sun Throne, is backed into a fight of high court magic and political appetites in a desperate bid to protect his ward, Max, from a forced marital alliance with the Hanged Man. Rune's resistance will take him to the island's dankest corners, including a red light district made of moored ghost ships; a surreal skyscraper farm; and the floor of the ruling Convocation, where a gathering of Arcana will change Rune's life forever.

A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight in this gripping sixth instalment by No. 1 bestselling author Michael Connelly. An activist attorney is killed in a cute little LA trolley called Angels Flight, far from Harry Bosch's Hollywood turf. But the case is so explosive - and the dead man's enemies inside the LAPD

are so numerous - that it falls to Harry to solve it. Now the streets are superheating. Harry's year-old Vegas marriage is unravelling. And the hunt for a killer is leading Harry to another high-profile LA murder case, one where every cop had a motive. The question is, did any have the guts?

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up

something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

Dark, cutting, and coursed through with bright flashes of humour, crystalline imagery, and razor-sharp detail, *I Become a Delight to My Enemies* is a gut-wrenchingly powerful, breathtakingly beautiful

meditation on the violence and shame inflicted on the female body and psyche. An experimental fiction, *I Become a Delight to My Enemies* uses many different voices and forms to tell the stories of the women who live in an uncanny Town, uncovering their experiences of shame, fear, cruelty, and transcendence. Sara Peters combines poetry and short prose vignettes to create a singular, unflinching portrait of a Town in which the lives of girls and women are shaped by the brutality meted upon them and by their acts of defiance and yearning towards places of safety and belonging. Through lucid detail, sparkling imagery and illumination, Peters' individual characters and the collective of *The Town* leap vividly, fully formed off the page. A hybrid in form, *I Become a Delight to My Enemies* is an awe-inspiring example of the exquisite force of words to shock and to move, from a writer of exceptional talent and potential.

Prepare to meet the most seductively female and the most shockingly fatal of femme fatales, brought to you by seventeen of today's finest authors of mystery and suspense fic-

tion. Award-winning editor Otto Penzler presents a collection of short and sizzling masterpieces of kisses and kiss-offs, gams and gats. Tale after thrilling tale, they'll prove to you just how sexy and not so gentle the 'gentler sex' can be. In 'Third Party', Jay McInerney takes you on a wild ride through the Paris night with a party girl built for speed and sin... 'Rendezvous', Nelson DeMille's first short story in twenty-five years, plunges you into a Vietnam jungle where the bloodiest scourge of this man's army is no man at all... back in the USA of 'Louly and Pretty Boy', Elmore Leonard introduces a Depression-era teenage gun moll who loves Pretty Boy Floyd more than she likes knocking off filling stations... a very smart blonde takes her shot in Lorenzo Carcaterra's 'A Thousand Miles from Nowhere', a study in slow-simmered vengeance... and Michael Connelly's colourful and ironic 'Cielo Azul' shows how a nameless woman left dead on a Los Angeles hillside can be the most lethal prey of all. In other riveting tales, a scorned lover claims an old fling's heart, a little too literally... a lady of mystery offers a suicide pact you almost can't refuse... and

a she-demon rises from the grave in a bid to rule the earth... In this original short story from #1 New York Times bestselling author Michael Connelly, LAPD Detective Harry Bosch seeks justice for the forgotten NOTE: This file includes a preview of Michael Connelly's novel *The Crossing*. In "Switchblade," an anonymous tip puts Bosch on a case that has remained unsolved for decades, the vicious stabbing of a teenage boy whose body was found in an abandoned Old Hollywood restaurant. Cold cases are often the toughest: With no body, no murder scene, and no fingerprints, Bosch nevertheless gets lucky when DNA evidence from the murder weapon points to a known killer. But the DA insists that science alone is not enough - he needs the case to be bulletproof before he'll take it to court. Determined to speak for those who can no longer speak for themselves, Bosch has one chance to wrench a confession out of a cold-blood-

ed killer, or risk letting him walk free for good. In this gripping, never-before-published story by "master of the crime thriller" (Huffington Post) Michael Connelly, Detective Harry Bosch quenches his thirst for justice and shows why he is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

In this #1 New York Times bestseller, Detective Harry Bosch joins LA's elite Open/Unsolved Unit to help piece together the mysterious death of a teenage girl. He walked away from the job three years ago. But Harry Bosch cannot resist the call to join the elite Open/Unsolved Unit. His mission: solve murders whose investigations were flawed, stalled, or abandoned to L.A.'s tides of crime. With some people openly rooting for his failure, Harry catches the case of a teenager dragged off to her death on Oat Mountain, and traces the DNA on the murder weapon to a small-time criminal. But something bigger and darker beckons, and Harry must

battle to fit all the pieces together. Shaking cages and rattling ghosts, he will push the rules to the limit -- and expose the kind of truth that shatters lives, ends careers, and keeps the dead whispering in the night . . .

A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE A NEW YORK TIMES BOOK REVIEW BEST CRIME NOVEL OF THE YEAR A CrimeReads Best Crime Novel Notable selection Harry Bosch and LAPD Detective Renée Ballard come together again on the murder case that obsessed Bosch's mentor, the man who trained him -- new from #1 New York Times bestselling author Michael Connelly Back when Harry Bosch was just a rookie homicide detective, he had an inspiring mentor who taught him to take the work personally and light the fire of relentlessness for every case. Now that mentor, John Jack Thompson, is dead, and his widow gives Bosch a murder book, one that Thompson took with him when he left the LAPD twenty years before -- the unsolved killing of a troubled young man. Bosch takes the murder book to Detective Renée Ballard and asks her to help him discover what about this crime lit Thompson's fire

all those years ago. As she begins her inquiries -- while still working her own cases on the midnight shift -- Ballard finds aspects of the initial investigation that just don't add up. The bond between Bosch and Ballard tightens as they become a formidable investigation team. And they soon arrive at a disturbing question: Did Thompson steal the murder book to work the case in retirement, or to make sure it never got solved? Written with the intense pacing and masterful suspense that have made Michael Connelly "the hard-boiled fiction master of our time" (NPR), *The Night Fire* continues the unofficial partnership of two fierce detectives determined not to let the fire with burn out.

In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family

man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal). From the #1 New York Times bestselling author Michael Connelly, a short story featuring LAPD De-

tective Harry Bosch and FBI agent Rachel Walling. Two women have gone missing, and LAPD Detective Harry Bosch has a strong suspicion that an avid fisherman named Denninger is the culprit. Bosch needs something stronger than a suspicion to bring Denninger in, but all he has are a handful of photos--prior mug shots and pictures of Denninger posing with his prize fish. It's not much to go on, and Bosch is running out of time, which is why he calls in FBI agent Rachel Walling. What she sees in these photos could blow his case wide open. "Blue on Black" by Michael Connelly is one of 20 short stories within Mulholland Books's Strand Originals series, featuring thrilling stories by the biggest names in mystery from the Strand Magazine archives. LAPD Detective Harry Bosch as we've never seen him before, in three never-before-collected stories. In "Suicide Run," the apparent suicide of a beautiful young starlet turns out to be much more sinister than it seems. In "Cielo Azul," Bosch is haunted by a

long-ago closed case -- the murder of a teenage girl who was never identified. As her killer sits on death row, Bosch tries one last time to get the answers he has sought for years. In "One Dollar Jackpot," Bosch works the murder of a professional poker player whose skills have made her more than one enemy. Whether investigating a cold case or fresh blood, Bosch relentlessly pursues his quarry, always on the lookout for the "tell." In this first collection of Harry Bosch stories, Michael Connelly once again demonstrates that he is the master of "fast-paced, brilliantly plotted crime fiction.... Harry Bosch is back on the case, and not a moment too soon" (Chicago Sun Times).

A most untraditional love story, this is the celebrated tale of Henry DeTamble, a dashing, adventure-some librarian who inadvertently travels through time, and Clare Abshire, an artist whose life takes a natural sequential course. Henry and Clare's passionate affair endures across a sea of time and captures them in an impossibly romantic trap that tests the strength of fate and basks in the bonds of love. "Niffenegger's inventive and poig-

nant writing is well worth a trip" (Entertainment Weekly).

INSPIRATION FOR THE ORIGINAL SERIES THE LINCOLN LAWYER - THE #1 TV SHOW ON NETFLIX Defense attorney Mickey Haller and Detective Harry Bosch must either work together or die as they investigate a Hollywood lawyer's murder in this "epic page-turner" (Library Journal). Things are finally looking up for defense attorney Mickey Haller. After two years of wrong turns, Haller is back in the courtroom. When Hollywood lawyer Jerry Vincent is murdered, Haller inherits his biggest case yet: the defense of Walter Elliott, a prominent studio executive accused of murdering his wife and her lover. But as Haller prepares for the case that could launch him into the big time, he learns that Vincent's killer may be coming for him next. Enter Harry Bosch. Determined to find Vincent's killer, he is not opposed to using Haller as bait. But as danger mounts and the stakes rise, these two loners realize their only choice is to work together. #1 New York Times bestselling thriller writer Kathy Reichs returns with her twenty-first novel of suspense featuring forensic

anthropologist Temperance Brennan who, after receiving a box containing a human eyeball, uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. 'Kathy Reichs has written her masterpiece' MICHAEL CONNELLY Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine "Skinny" Slidell, retired but still volunteering with the CMPD

cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe's Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present. Kathy Reichs's first novel *Déjà Dead*, published in 1997, won the Ellis Award for Best First Novel and was an international bestseller. *Cold, Cold Bones* is Kathy's twenty-first entry in her series featuring forensic anthropologist Temperance Brennan. Kathy was also a producer of Fox Television's longest running scripted drama, *Bones*, which was based on her work and her novels. One of very few forensic anthropologists certified by the American Board of Forensic Anthropology, Kathy divides her time between Charlotte, North Carolina, and Montreal, Québec. In the thrilling sequel to *The Fourth Monkey*, a new serial killer stalks the streets of Chicago, while Detective Porter delves deeper into the dark past of the Four Monkey Killer. Detective Porter and the team have been pulled from the hunt for Anson Bishop, the Four Monkey Killer, by the feds. When the body of a young girl is found beneath the frozen waters of Jackson Park Lagoon, she is quickly identified as Ella Reynolds, missing three weeks. But how did she get there? The lagoon froze months earlier. More baffling? She's found wearing the clothes of another girl, missing less than two days. While the detectives of Chicago Metro try to make sense of the quickly developing case, Porter secretly continues his pursuit of 4MK, knowing the best way to find Bishop is to track down his mother. When the captain finds out about Porter's activities, he's suspended, leaving his partners Clair and Nash to continue the search for the new killer

alone. Obsessed with catching Bishop, Porter follows a single grainy photograph from Chicago to the streets of New Orleans and stumbles into a world darker than he could have possibly imagined, where he quickly realizes that the only place more frightening than the mind of a serial killer is the mind of the mother from which he came.

In this short story from the thrilling anthology *FaceOff*, bestselling authors Dennis Lehane and Michael Connelly—along with their popular series characters Patrick Kenzie and Harry Bosch—team up for the first time ever. Harry Bosch finds himself on unfamiliar territory when he arrives at Boston's Logan airport, on the trail of a fifteen-year-old unsolved murder. Meanwhile, local P.I. Patrick Kenzie is sniffing around the same suspect that Bosch is tracking—but for a totally different reason: the recent disappearance of a seventh grade girl labeled as a runaway by the lead detective in charge of the case. Kenzie isn't

so sure the girl went willingly out of her bedroom window in the middle of the night. When the two veterans meet outside the suspect's house, each man plays a vital part in solving the other's crime. For more exciting pairs, check out all eleven short stories in *FaceOff*!

The first four novels in Robert Galbraith's "wonderfully entertaining" series (Harlan Coben) featuring the private detective Cormoran Strike and his assistant Robin Ellacott. This omnibus set includes the novels *The Cuckoo's Calling*, *The Silkworm*, *Career of Evil*, and *Lethal White*. Each of these novels is compulsively readable, with twists at every turn. You may think you know detectives, but you've never met one quite like Strike. "Rowling's wizardry as a writer is on abundant display...This is a crime series deeply rooted in the real world, where brutality and ugliness are leavened by the oh-so-human flaws and virtues of Galbraith's irresistible hero and heroine." --USA Today
