This book tells the story of the Prophet Muhammad as an inspirational role model for anyone who wants to be extraordinary. You will learn how Muhammad shaped his personality as a child, dealt with the universal challenges of adolescence while a teenager, and then emerged as a leader in his community as a young adult. The book deliberately avoids the language of historical narration used in typical biographies of the Prophet in favor of a more informal, down-to-earth approach. In this book, the reader will get a completely different view of Muhammad and hopefully will see how

Muhammad addressed our own daily challenges, inspiring us to excel in confronting these challenges. "I enjoyed reading this book and recommend it to everyone who wants to be inspired by Muhammad, the greatest of mankind." Mirza Yawar Baig, author of Presenting Islam Today.

This book narrates the life of Prophet Muhammad, peace be upon him, shedding light upon segments of his life that are either neglected or glossed over in conflict-focused biographies. The narrations in this book revolve around the Prophet's various strategies of diplomacy and reconciliation to avoid conflicts. In narrating these

events, the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life. Indeed, both Muslims and non-Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb. The book exposes the hypocritical and willful deception of these radical groups which cherry-pick incidents and sayings from the Prophet's life, decontextualize them, and abuse them to serve their perverted ideologies. The extensive evidence presented in

this book will not only dispel many myths about the life and message of the Noble Prophet, but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die-hard enemies to devoted faithful friends.

The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social jus-

tice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. *The First Muslim* illuminates not only an immensely significant figure but his lastingly relevant legacy.

This book considers the Arabic biographies of Prophet Muhammad, the earliest of which dates from two centuries after his life. These biographies, prized by Muslims, have been approached in the Western study of Islam from a range of positions. Some scholars reject them entirely, seeing in them products of the Muslim community's idealisation of its history, while others accept them at face value, reasoning that, if not exact versions of events, the events could not have differed too much from their descriptions. The author revisits the debate and reconsiders several key incidents in the life of the Prophet. By compiling an extensive corpus of materials and

comparing them closely, this book analyses the transmission and the contents of the accounts. It shows that by understanding clearly the interaction in early Islam between written and oral modes of transmission, and by the judicious sieving of the accounts, as well as the lines of transmission, we can sometimes reach back to that generation of Muslims who though not themselves witness to the events were younger contemporaries of those who were. Establishing a solid basis for the informed study of Muhammad's biography and adding to the ongoing debate, this book will appeal to scholars of early Islam, history and theology.

A list of the one hundred most influential people in history features descriptions of the careers, contributions, and accomplishments of the political and religious leaders, inventors, writers, artists, and others who changed the course of history. Simultaneous.

In our day, which is characterized by a great misunderstanding of Islam, this work outlines the ideal of an Islamic society at the time of the Prophet Muhammad.

The author was asked by a friend to set

down in writing what he considered to be the most important things that a human being can know and was also asked to make it very easy. This small book discusses the profoundest truths with remarkable simplicity and clarity.

In this, one of his last works, Martin Lings discusses the significance of the pilgrimage to Mecca, made annually by several million Muslims, in the light of the tradition of Abraham. Drawing upon his own experience of performing the pilgrimage first in 1946 and then in 1978, as well referring to the traditional sources, he considers the timeless spiritual meaning of the Hajj, which was proclaimed and established by Abraham and Ishmael and renewed by the Prophet Muhammad, in the context of its long history and comes to some surprising conclusions.

A classic secular history of the prophet Muhammad that vividly recreates the fascinating time in which Islam was born. Maxime Rodinson, both a maverick Marxist and a distinguished professor at the Sorbonne, first published his biography of Muhammad in 1960. The book, a classic in its field, has been widely read ever since. Rodinson, though deeply versed in scholar-

ly studies of the Prophet, does not seek to add to it here but to introduce Muhammad, first of all, as "a man of flesh and blood" who led a life of extraordinary drama and shaped history as few others have. Equally, he seeks to lay out an understanding of Muhammad's legacy and Islam as what he called an ideological movement, similar to the universalist religions of Christianity and Buddhism as well as the secular movement of Marxism, but possessing a singular commitment to "the deeply ingrained idea that Islam offers not only a path to salvation but (for many, above all) the ideal of a just society to be realized on earth." Rodinson's book begins by introducing the specific land and the larger world into which Muhammad was born and the development of his prophetic calling. It then follows the steps of his career and the way his leadership gave birth to a religion and a state. A final chapter considers the world as Islam has transformed it.

An accessible and fresh biography boldly arguing that Muhammad's entrepreneurial mindset helped unleash the modern world "A beautifully written, immaculately re-

searched meditation on the impact of the Prophet Muhammad on the modern world. I loved this book!” —Reza Aslan, author of *No God but God and Zealot: The Life and Times of Jesus of Nazareth* A six-year-old cries in his mother’s arms as she draws her last breaths to urge him: “Muhammad, be a world-changer!” The boy, suddenly orphaned in a tribal society that fears any change, must overcome enormous obstacles to unleash his own potential and inspire others to do the same. Fusing details long known to Muslim scholars but inaccessible to popular audiences, Mohamad Jebara brings to life the gripping personal story of Islam’s founding prophet. From his dramatic birth to nearly being abducted into slavery to escaping assassination, Muhammad emerges as an unrelenting man on a mission. Surrounding the protagonist are dynamic women who nurture Muhammad; Jewish and Christian mentors who inspire him; and the enslaved individuals he helps liberate who propel his movement. Jebara places Muhammad’s life in a broader historical context, vividly evoking the Meccan society he was born into and arguing that his innovative vision helped shape our modern world.

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based to the Earliest Sources* is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the

events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. *Muhammad: His Life Based to the Earliest Sources* was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

Drawing on traditional Muslim sources, Michael Cook describes Muhammad's life and teaching. He also attempts to stand back from this traditional picture to show how far it is historically justified.

The biography of the Prophet Muhammad. An easy and wonderful read.

This book provides a comprehensive explanation for Allah's names and attributes. The author has effectively defined the attributes of Allah in such a way to ensure sufficient detail is provided for the reader, without excessively analysing and over complicating the topic. The aim and

achievement of this book is to introduce God in the terms in which He introduces Himself, and thereby make the approach to Him easier for willing hearts and minds. Furthermore it allows for a lighter, more pleasant and rewarding experience on the journey in reconnecting and strengthening the bond with our Creator.

Kecia Ali delves into the many ways the Prophet's life story has been told from the earliest days of Islam to the present, by both Muslims and non-Muslims. Emphasizing the major transformations since the nineteenth century, she shows that far from being mutually opposed, these various perspectives have become increasingly interdependent.

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad

came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

It's All About Muhammad, A Biography of the World's Most Notorious Prophet, is a comprehensive biography of the man who created a religion that he called Islam. It gives a no-holds-barred account of the atrocities he committed in spreading his religion. The book contains 25 illustrations, half of them depicting these atrocities.

It is very important for anyone who wants

to spread the message of Islam to study the life of the Prophet (blessings and peace of Allah be upon him) and discover how he undertook the mission of da'wah, or calling to Islam. This book is a blueprint for da'wah. From studying his biography we learn the lessons of patience and perseverance in the face of adversity and opposition, and the readiness to sacrifice everything for the cause of Islam. In this book, Dr. as-Sibâ'ie shows us how the Prophet's approach was gentle yet determined and clear-cut, with no compromise on basic issues. The author takes the most important events of the Messenger's life, summarizes them in order to offer a brief overview, then outlines the lessons that we learn from these events. This is an excellent introduction both to the principles of da'wah and to the seerah, the study of the life of the Prophet (blessings and peace be upon him). It should be on the bookshelf of every Muslim who wants to call others to Allah.

Researched biography of the Holy Prophet. Corrects misconceptions about his life; answers western criticism. "(1) Muhammad The Prophet (2) The Early Caliphate, by

Muhammad Ali, together constitute the most complete and satisfactory history of the early Muslims hitherto compiled in English" — Islamic Culture, Hyderabad, India " ... He has now produced a biography of the Prophet of Islam in English ... It is not only Muslims who should feel grateful to him for the publication. The book should, indeed, give greater gratification to the English-speaking non-Muslims, whom it gives an opportunity of knowing the truth about the life and personality of one who is admitted on all hands to be the greatest reformer in the history of the world." — The New Orient "...it is written in an authoritative and interesting fashion, and from a historical point of view will be well worth perusing by adherents of religions other than Islam." — The Civil and Military Gazette, Lahore, Pakistan

In Islamic Exceptionalism, Brookings Institution scholar and acclaimed author Shadi Hamid offers a novel and provocative argument on how Islam is, in fact, "exceptional" in how it relates to politics, with profound implications for how we understand the future of the Middle East. Divides among citizens aren't just about power but are products of fundamental disagree-

ments over the very nature and purpose of the modern nation state—and the vexing problem of religion's role in public life. Hamid argues for a new understanding of how Islam and Islamism shape politics by examining different models of reckoning with the problem of religion and state, including the terrifying—and alarmingly successful—example of ISIS. With unprecedented access to Islamist activists and leaders across the region, Hamid offers a panoramic and ambitious interpretation of the region's descent into violence. Islamic Exceptionalism is a vital contribution to our understanding of Islam's past and present, and its outsized role in modern politics. We don't have to like it, but we have to understand it—because Islam, as a religion and as an idea, will continue to be a force that shapes not just the region, but the West as well in the decades to come.

Adil writes of the Holy Prophet and how he prayed for mercy upon his enemies. Despite the fact that they did him such harm and caused him so much hurt, he would not curse them, for all prophets' curses instantly take effect.

This vivid and detailed biography strips away centuries of distortion and myth and presents a balanced view of the man whose religion continues to dramatically affect the course of history.

The Complete Biography of Prophet Muhammad SAW The Last Messenger of God In Islam Faith. Biografi Nabi Muhammad SAW Edisi Bilingual. Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of Allah SWT (God), Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Abraham, Prophet Moses, Prophet Jesus and other prophets. Born approximately in 570 CE in the Arabian city of Mecca, Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer;

later, at age 40, he reported at this spot, that he was visited by Angel Gabriel and received his first revelation from Allah SWT (God). Three years after this event Prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad SAW, may the mercy and blessings of God be upon him, is the man beloved by more than 1.5 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet Muhammad SAW that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad SAW, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Holy Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God.

Prophet Muhammad (pbuh) was born in Makkah to Amina and Abdullah. Abdullah passed away before Muhammad (pbuh)

was born and was brought up by Amina, his mother. When he was six, his mother passed away and then he was looked after by his loving grandfather Abdul Mutallib. Two years later, Abdul Mutallib also passed away and Muhammad (pbuh) was brought up by his uncle Abu Talib. Muhammad (pbuh) lived a simple life, marrying Khadija when he was twenty five years old. At the age of forty, the first verses came from Allah in the month of Ramadan. The Angel Jibrael brought these first five verses to Muhammad (pbuh). These words were written down by the scribes and memorised by the Muslims. This message continued for twenty three years and is known as the Qu'ran - the word of Allah. The Qu'ran is this pure message that was revealed to Muhammad 1400 years ago. These are the words of Allah that were sent to the prophet Muhammad (pbuh). Allah has guarded it and kept it pure from changes and errors. The purpose or mission of the prophet (pbuh) was to deliver this message to Mankind and to follow its teachings. The Prophet Muhammad (pbuh) was kind and honest. He looked after his family and friends. He had good character and respected the elders. He looked after

the orphans and the poor. He was concerned for the wellbeing of all people. He never stole or swore at anyone. He was loved and respected by everyone - the Muslims and the non-Muslims. The prophet's character and actions are also recorded in the Hadith books which give us an insight into this great man. Many people try and follow the example of the prophet (pbuh), indeed he is a role model for all Muslims. We should also be kind and good - following the example of the prophet (pbuh) throughout our lives. In this Seerah Book, Children will learn a lot about the prophet (pbuh) and about his life.

Kitab Ash-Shifa bi ta'rif huquq al-Mustafa, (Healing by the recognition of the Rights of the Chosen One), of Qadi 'Iyad (d. 544H/1149CE) is perhaps the most frequently used and commented upon handbook in which the Prophet's, may Allah

bless him and grant him peace, life, his qualities and his miracles are described in every detail. Generally known by its short title, Ash-Shifa, this work was so highly admired throughout the Muslim world that it soon acquired a sanctity of its own for it is said: "If Ash-Shifa is found in a house, this house will not suffer any harm... when a sick person reads it or it is recited to him, Allah will restore his health." Ash-Shifa gathers together all that is necessary to acquaint the reader with the true stature of the Prophet, may Allah bless him and grant him peace, with the esteem and respect which is due to him, and with the verdict regarding anyone who does not fulfil what his stature demands or who attempts to denigrate his supreme status - even by as much as a nail paring. QADI 'IYAD His full name was Abu al-Fadl 'Iyad ibn Musa

ibn 'Iyad ibn 'Imran ibn Musa ibn Muhammad ibn 'Abdullah ibn Musa ibn 'Iyad al-Yahsubi, the famous Imam. He was born in Ceuta in the month of Sha'ban, 496 AH and lived there although his family originated from Andalusia. According to his son, Muhammad, his ancestors originated in Andalusia and then moved to the city of Fes, staying in the Qarawiyyin at some point. 'Imrun moved to Ceuta after having lived in Fes. Qadi 'Iyad was the Imam of his time in hadith and its sciences. He was a scholar of tafsir and its sciences, a faqih in usul, a scholar in grammar, language and Arabic speech, as well as in the battles and lineages of the Arabs. He had insight into judgements and had the legal competence to write contracts. He preserved and knew the Maliki madhhab. He was an excellent poet, familiar with literature and an eloquent orator. He was steadfast, forbear-

ing and a good companion. He was generous and gave a lot of sadaqa. He was constant in action and tenacious in the truth. He died in Marrakesh in the month of Jumada al-Akhira or Ramadan in 544 AH. AISHA BEWLEY Aisha Abdurrahman at Tarjumana Bewley is one of today's most prolific translators of classical Arabic works into English.
