Salsa Consciente Andrés Espinoza Agurto 2021-12-01 This volume explores the significations and developments of the Salsa consciente movement, a Latino musico-poetic and political discourse that exploded in the 1970s but then dwindled in momentum into the early 1990s. This movement is largely linked to the development of Nuyolatino popular music brought about in part by the mass Latino migration to New York City beginning in the 1950s and the subsequent social movements that were tied to the shifting political landscapes. Defined by its lyrical content alongside specific sonic markers and political and social issues facing U.S. Latinos and Latin Americans, Salsa consciente evokes the overarching cultural-nationalist idea of Latinidad (Latin-ness). Through the analysis of over 120 different Salsa songs from lyrical and musical perspectives that span a period of over sixty years, the author makes the argument that the

urban Latino identity expressed in Salsa consciente was constructed largely from diasporic, deterritorialized, and at times imagined cultural memory, and furthermore proposes that the Latino/Latin American identity is in part based on African and Indigenous experience, especially as it relates to Spanish colonialism. A unique study on the intersection of Salsa and Latino and Latin American identity, this volume will be especially interesting to scholars of ethnic studies and musicology alike.

Multimedia Applications Ralf Steinmetz 2013-03-09 Multimedia Applications discusses the basic characteristics of multimedia document handling, programming, security, human computer interfaces, and multimedia application services. The overall goal of the book is to provide a broad understanding of multimedia systems and applications in an integrated manner: a multimedia application and its user interface must be developed in an integrated fashion with underlying multimedia middleware, operating systems, networks, security, and multimedia devices. Fundamental information and properties of hypermedia document handling, multimedia security and various aspects of multimedia applications are presented, especially about document handling and their standards, programming of multimedia applications, design of multimedia information at human computer interfaces, multimedia security challenges such as encryption and watermarking, multimedia in education, as well as multimedia applications to assist preparation, processing and application of multimedia content.

Evictions of Pain Shanetta Natasha Nichols 2017-03-15 Since the womb I was destined to live a life of pain. Instances kept arriving in my life that add more scars to the ones that were always there. Without healing I grew up but my mind didn't. Until one day a change of events had me at a place that either I was going to survive or die.

Brazilian Railway Culture Martin Cooper 2011 Brazilian Railway Culture examines the cultural relationship Brazil has had with its railways since tracks

were first laid by British, American and French engineers in the nineteenth century. 'Railway' and 'Brazil' are words not often found in the same sentence. Yet each year over seven hundred million passengers are carried by train in the major urban centres, and tens of thousands of visitors enjoy heritage steam rides at over a dozen restored lines and museums. Brazilian Railway Culture starts from the premise that Brazilian society and culture is not just samba, football and sex. The book takes a journey through Brazilian cultural output from 1865 to the present day, examining novels, poetry, music, art, film and television, as well as autobiographies, written histories, and museums to uncover ways in which the railway has been represented. This interdisciplinary study engages with theories of informal empire and postcolonialism, Latin American studies, cultural studies, film and television studies, literary criticism, art history and criticism, museum and heritage studies, as well as railway studies. This is a supplementary text for use by students on both undergraduate and postgraduate courses. It will also be of interest to academics, researchers, and railway historians across a range of disciplines.

While We Were Watching Downton Abbey Wendy Wax 2013-04-02 From the bestselling author of *My Ex-Best Friend's Wedding* comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives. When the concierge of The Alexander, a historic Atlanta apartment building, invites his fellow residents to join him for weekly screenings of *Downton Abbey*, four very different people find themselves connecting with the addictive drama, and—even more unexpectedly—with each other... Samantha Davis married young and for the wrong reason: the security of old Atlanta money—for herself and for her orphaned brother and sister. She never expected her marriage to be complicated by love and compromised by a shattering family betrayal. Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander, and for a new and productive life. But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all. And then there's Brooke MacKenzie, a woman in constant battle with her faithless ex-husband. She's just starting to realize that it's time to take a deep breath and come to terms with the fact that her life is not the fairy tale she thought it would be. For Samantha, Claire, Brooke—and Edward, who arranges the weekly gatherings—it will be a season of surprises as they forge a bond that will sustain them through some of life's hardest moments—all of it reflected in the unfolding drama, comedy, and convergent lives of *Downton Abbey*.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and

fortunes would not be uninteresting to the public." -an excerpt

Petey (new cover) Ben Mikaelson 2010-06-22 In 1922, at the age of two, Petey's distraught parents commit him to the state's insane asylum, unaware that their son is actually suffering from severe cerebral palsy. Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home."

Through the decades, he befriends several caretakers but is heartbroken when each eventually leaves him. Determined not to be hurt again, he vows to no longer let hope of lifelong friends and family torment him. That changes after he is moved into a nursing home and meets a young teen named Trevor Ladd; he sees something in the boy and decides to risk friendship one last time. Trevor, new to town and a bit of a loner, is at first weary of the old man in the wheelchair. But after hearing more of his story, Trevor learns that there is much more to Petey than meets the eye. Petey is a touching story of friendship, discovery, and the uplifting power of the human spirit.

Why do you want to write down what you feel? How is your life affected by what you think? What is helpful for you? For example, your list might include: - I have to work to the point where I-M?rt when babies are crying because I can't think? - I don't know? b?l?v? people are what they say that? - I don't get very angry, to the point of rage? (If that's your pattern of things that trigger your anger, include them.) Several friends get angry at me because I have become angry. - I feel very lonely and have no extra need for support. As a result, I spend a lot of time being alone. - I don't know if I am sleeping 18 hours a day. What are your habits? Right now, include this information about your life. - Sometimes I don't seem to feel anything. That Winter Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.
