Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Women and Power in Zimbabwe Carolyn Martin Shaw 2015-10-12 The revolt against white rule in Rhodesia nurtured incipient local feminisms in women who imagined independence as a road to gender equity and economic justice. But the country's rebirth as Zimbabwe and Robert Mugabe's rise to power dashed these hopes. Using history, literature, participant observation, and interviews, Carolyn Martin Shaw surveys Zimbabwean feminisms from the colonial era to today. She examines how actions as seemingly disparate as an ability to bake scones during the revolution and achieving power within a marriage in fact represent complex sources of female empowerment. She also presents the ways women

across Zimbabwean society--rural and urban, professional and domestic--accommodated or confronted post-independence setbacks. Finally, Shaw offers perspectives on the ways contemporary Zimbabwean women depart from the prevailing view that feminism is a Western imposition having little to do with African women. The result of thirty years of experience, *Women and Power in Zimbabwe* addresses what happened when a generation of African women deferred their dreams of empowerment.

Southern Edwardseans Obbie Tyler Todd 2022-01-17 The founders and forerunners of the Southern Baptist Convention were fundamentally shaped by the thought of Puritan theologian Jonathan Edwards and his theological successors. While Baptists in the antebellum South boasted a different theological pedigree than Presbyterians or Congregationalists, and while they inhabited a Southern landscape unfamiliar to the bustling cities and tall forests of New England, they believed their similarities with Edwards far outweighed their differences. Like Edwards, these Baptists were revivalistic, Calvinistic, loosely confessional, and committed to practical divinity. In these four things, Southern Edwardseanism lived, moved, and had its being. In the nineteenth-century, when so many Presbyterians scoffed at Edwards's "innovation" and Methodists scorned his Calvinism, Baptists found in Edwards a man after their own heart. By 1845, at the first Southern Baptist Convention, Southern Edwardseans had laid the groundwork for a convention marked by the theology of Jonathan Edwards.

The Family of the Barrett Jeannette Marks 2018-10-03 Excerpt from The Family of the Barrett: A Colonial Romance Habitats have been reconstructed. The exact number of leaves or the precise number of blades of grass may not be correct. But the species of tree and the kind of grass are. The painting in of a habitat need not mean verisimilitude. If at times in the restoration of the Barrett and Browning backgrounds, the picture becomes somewhat composite, that fact does not invalidate the accuracy of the picture as a whole. No doubt the mistake of placing some human beings in too close association has been made, for their temperaments or the circumstances of their hour may have kept them apart. But, whatever their separation, the essential fact remains: they shared the same habitat. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. While the ship was building the traders erected rude winter quarters at What is now No. 39 Broadway, and when spring came round again the Onrust was launched in the waters of the Upper Bay. She was little more than a yacht - 38 feet on the keel, on deck, and on the beam - but before going home she explored the coasts of New England and Delaware Bay, and in 1616 Captain Hendrickson discovered the Schuylkill River in her, and explored nearly the entire coast from Nova Scotia to the Capes of Virginia.
