Through My Eyes Ellie O'Malley 2017-04-11 Ellie grew up on a dirt farm in Ontario with only brothers, no sisters. She had five children by the time she was twenty one and a drunken husband who she ran away from. She took her children west as far as the road would go, and went from waiting tables, to slinging drinks, then on to nursing. Eventually driving trucks for better money. Her children now numbered seven. Men were her downfall, most of them wanted her children more than her. With trucking she was in a man's world in a time when it was not acceptable, but with perseverance and just plain bull headedness she made her mark. Finding the pit falls and how she came over them, and still kept her seven children together under one roof on her own.

Singing in Czech Timothy Cheek 2014-12-11 Timothy Cheek's revised edition of *Singing in Czech: A Guide to Czech Lyric Diction and Vocal Repertoire*, with its accompanying audio accessible online, builds on the original pioneering work of 2001 that set "a new and very welcome high standard for teaching lyric diction," according to *Notes: The Journal of the Music Library Association*. It offers users updated information, important clarifications, and expanded repertoire in a more accessible, easier to use format. *Singing in Czech* is divided into two parts. Using IPA, the first part takes the reader systematically through each sound of the Czech language, enhanced by recordings of native Czech opera singers. Chapters cover the Czech vowels, consonants, rules of assimilation, approaches to singing double consonants, stress and length, Moravian dialect, and an introduction to singing in Slovak. Fine points of formal pronunciation have been clarified in this revised edition. In the second part, Cheek offers a thorough overview of Czech art song, expanded from the first edition. Texts to major song literature and opera excerpts by Smetana, Dvořák, Janáček, Martinů, and Haas, with timings, editions, word-for-word translations, idiomatic translations, and IPA transcriptions follow. In this revision, Cheek has included additional cycles by Dvořák and Martinů, and two new chapters on Czech female composers Vítězslava Kaprálová and Sylvie Bodorová. This revised edition of *Singing in Czech* is useful for all those who are interested and engaged in the performance of the rich Czech vocal repertoire.

Robert Ludlum's (TM) *The Utopia Experiment* Kyle Mills 2013-03-26 With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. *The Utopia Experiment* When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

One Peaceful World Michio Kushi 2017-01-25 No matter where we live or what language we speak, food is an essential factor that shapes the way we think, feel, act, and respond to one another. In this milestone book, Michio Kushi presents his vision for building world peace through a sane way of eating. As the leader of the modern-day international macrobiotic movement, Michio has taught, lectured, written, and worked steadily to achieve his view of the future a world in which all people can live in harmony with nature and with one another. In 1987, he launched his One Peaceful World society, a worldwide educational organization devoted to bringing about world peace through a new awareness of the links between food and the emotions, natural law, history, and international order. This book lays the foundation for One Peaceful World. It includes case studies throughout history in which macrobiotic diets relieved conflict and sickness. It traces the rise of the organic and natural foods industry, to which Kushi has been a notable contributor. It offers menus and recipes, reference sources, and a wealth of information that point the way to a new approach to diet and thought. And it recommends additional actions that we can take to bring unity to the world. The book is divided into four parts. In Part 1, Kushi details his early life in Japan during World War II, and his journey to macrobiotics under the guidance of George Ohsawa. Part 2 delves into the cosmological and universal concepts behind macrobiotics, including the importance of yin and yang. In Part 3, Kushi discusses the values that are essential to creating One Peaceful World in modern times. And in Part 4, the author looks forward to a new world government. One Peaceful World is an important and fascinating book for anyone committed to good health, whole foods, and world peace. "

Songs for a Savior David M. Oliver 2003-07-01 This comprehensive resource of five sermons with complete worship services provides a solid, thematically integrated worship and preaching program for Advent and Christmas Eve. It celebrates the deep songs of faith that result from personal encounters with Jesus Christ. The four Advent messages examine biblical personalities, revealing in their experiences real struggles as well as profound joy. You'll explore how Zechariah wrestled to believe what the angel told him concerning the birth of his son; how the prophets searched for God's Word of hope in times of personal and social ferment; how Mary was willing to sacrifice her life for God's purpose; and how the birth of Jesus, heralded by the angels and confirmed by the shepherds, combined fear and joy with divine music. In the final sermon (for Christmas Eve), Oliver links those accounts with our contemporary lives by asking what our personal response will be to the birth of the Savior. Will we allow a song of faith to arise in our lives, in our families, churches, and community? Illustrated with poignant stories and anecdotes, the sermons in "Songs For A Savior "invite us to hear again the truly good news -- that our song of faith is not so much what we create for God, as how we respond to meeting the Savior and receiving God's gift of salvation through Jesus. "Songs For A Savior" comes from the heart of one who knows the Savior. Oliver offers these worship resources from his years of helping persons discover the Savior. The liturgies develop a theme for each Sunday, and the sermons weave biblical truths into the complexities of our modern lives, enabling new insights and personal convictions. Congregations experiencing Songs For A Savior will grow in their commitment to love and serve the Savior!" William R. Harvey Pastor Emeritus, Church of the Savior Canton, Ohio David M. Oliver holds an M.Div. degree from Duke University Divinity School and a D.Min. degree in Spiritual Formation from Asbury Theological Seminary. Currently the pastor of First United Methodist Church in Dover, Ohio, Oliver has served churches in Ohio since 1980, and has participated in the Academy for Preaching. In addition, he is an adjunct professor at Malone College in Canton, Ohio, teaching in the field of spiritual growth and worship. He is the author of "Gifts We Bring To Honor The King" (CSS).
